Looking Back.....

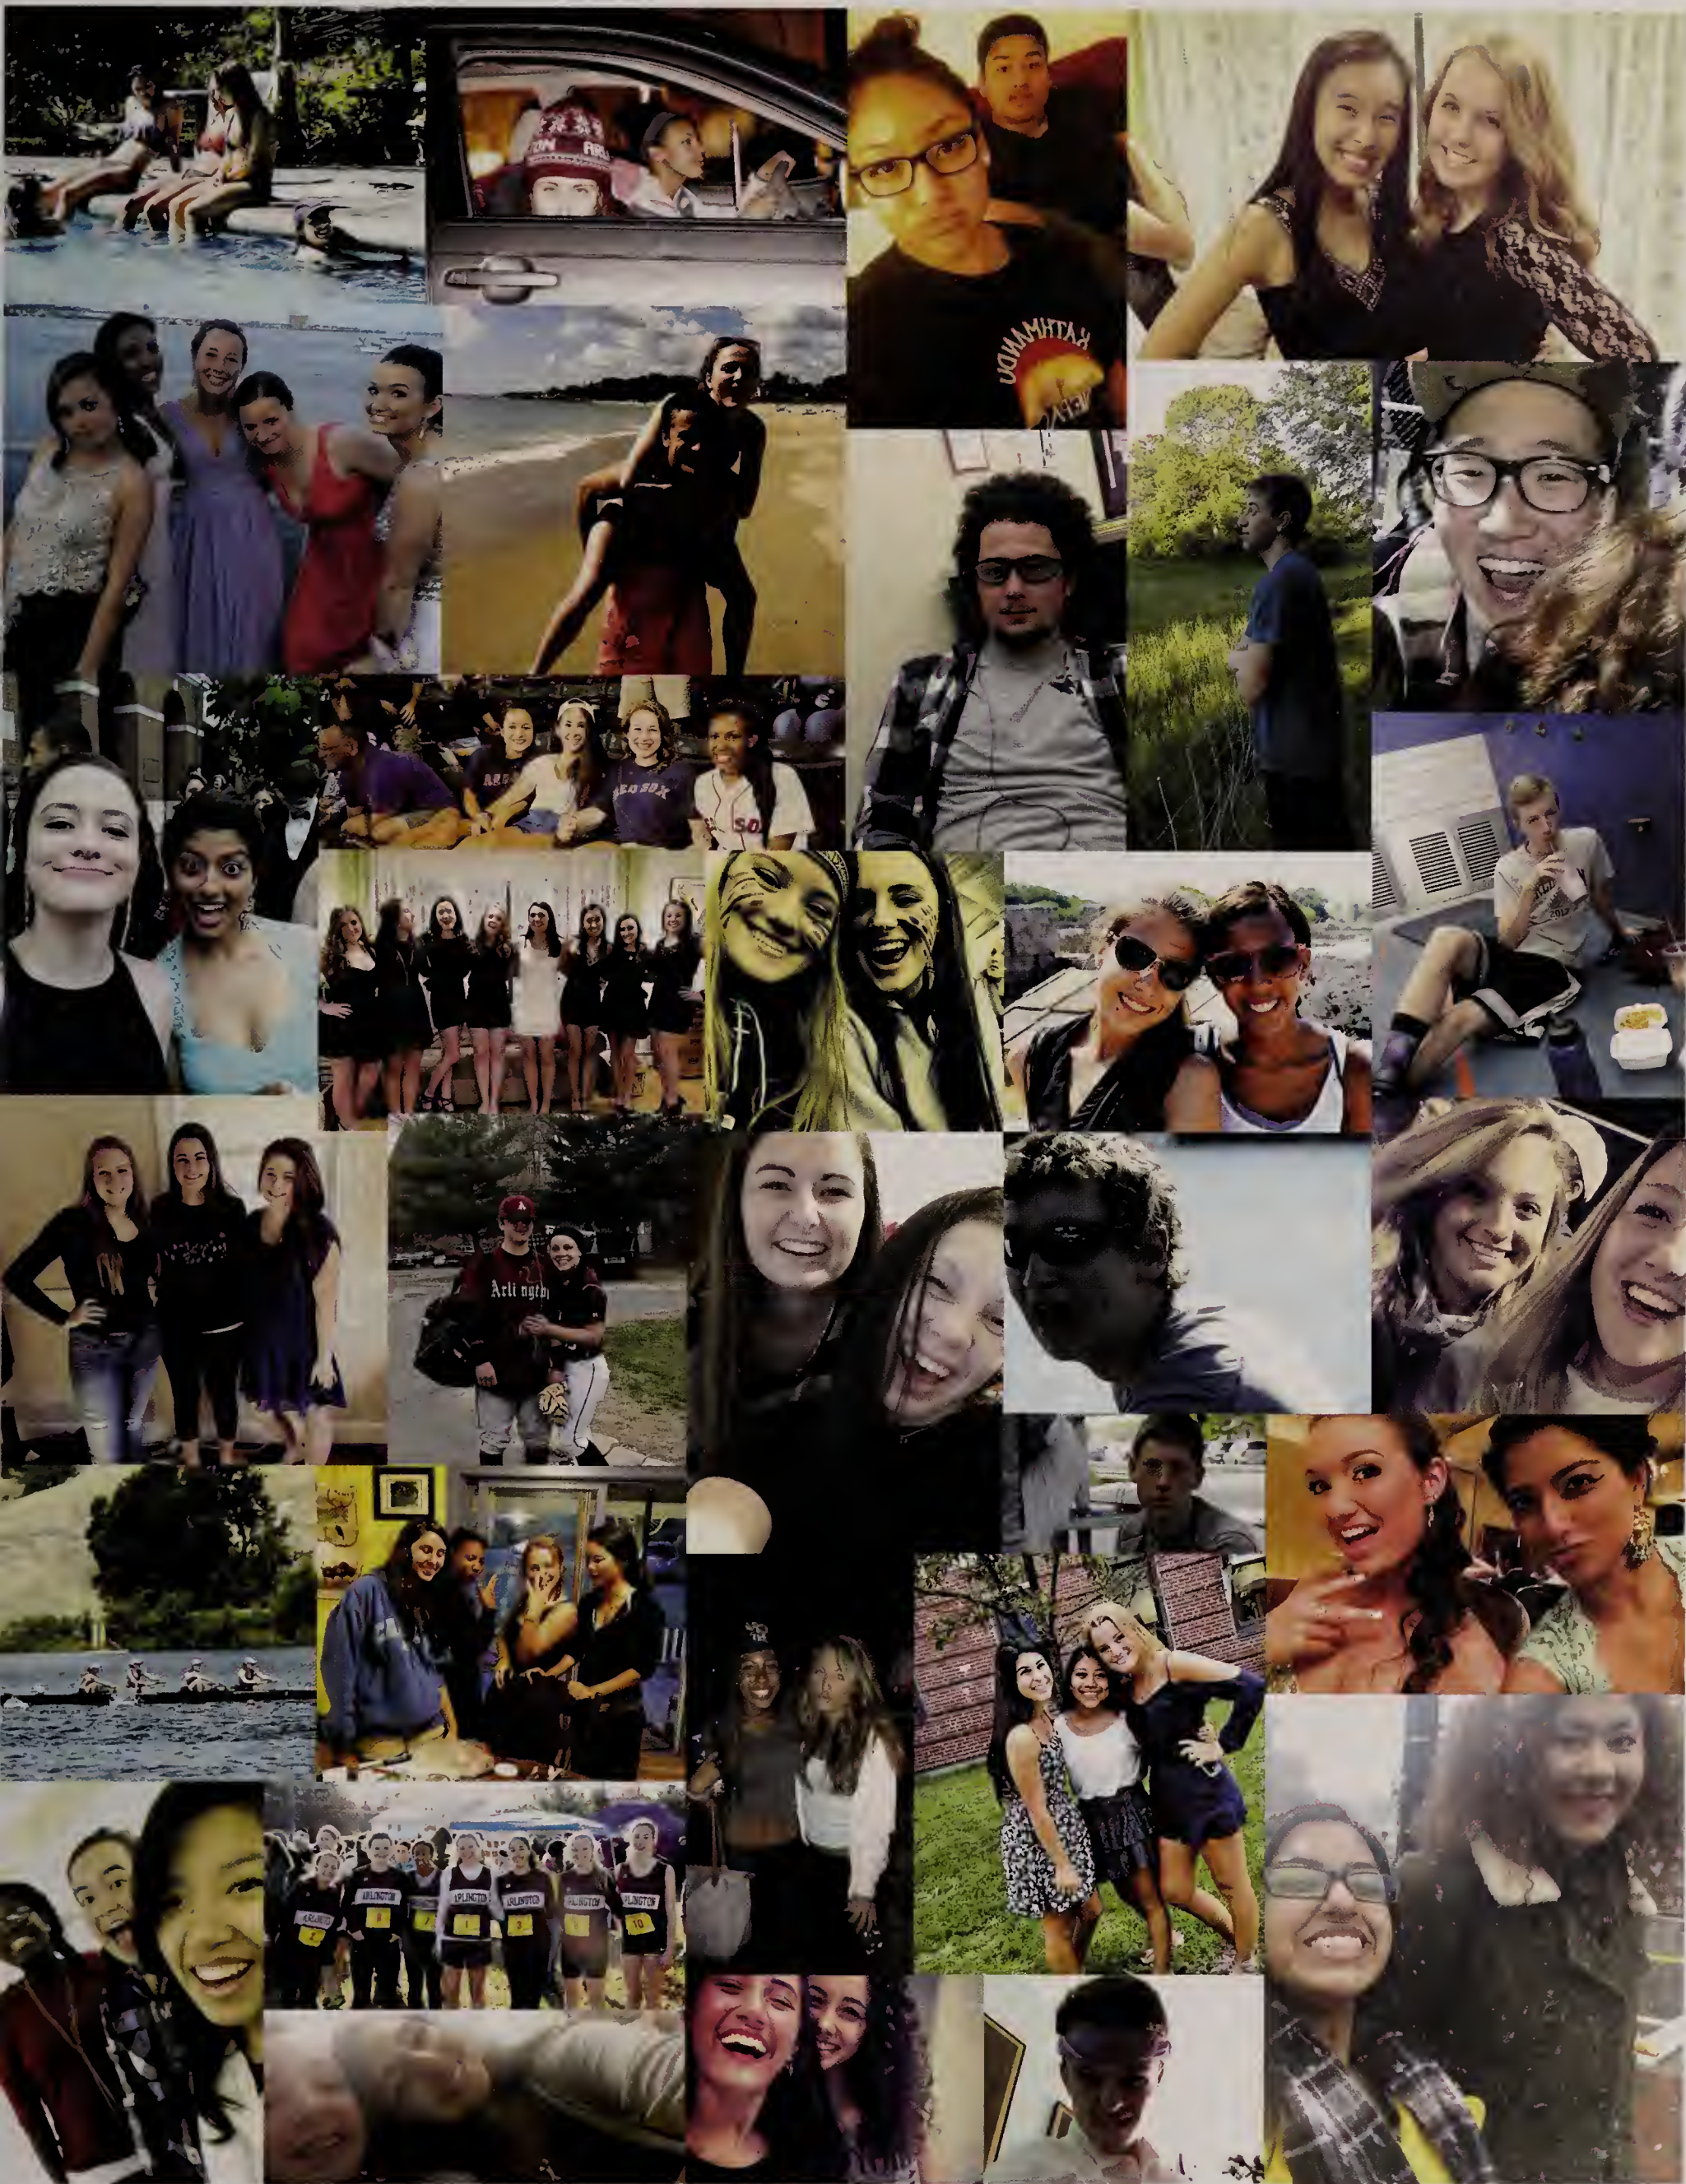

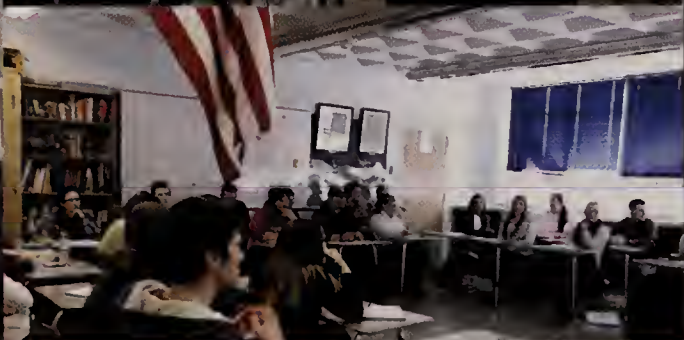

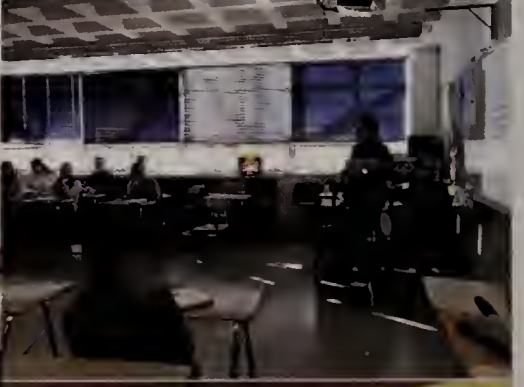

FACULTY AND STAFF 2015

In an effort to foster academic excellence and personal achievement at the highest levels, Arlington High School focuses on learning, connecting, and caring as a community. AHS provides a safe, supporting, nurturing environment in which students can acquire knowledge, values, and intellectual curiosity that will lead to life-long learning. As a community we have agreed upon the following values and habits of mind as foundational principles and social and behavioral expectations that will guide all teaching and learning and policy decisions at Arlington High School. They are:

**Integrity,
Communication,
Accountability and responsibility,
Respect, and
Effective teamwork and cooperation.**

We believe that living these values and habits of mind on a daily basis will ensure all students a rigorous high school education that will prepare them for their future roles as learners, leaders, and citizens in a 21st century democracy.

National Honor Society

This year, Arlington High School proudly inducted 63 students into the National Honor Society. Members were selected based on leadership, character, scholarship, and demonstrated commitment to service. Led by President Ammarah Rehman, Vice President Aaron Colonnese, Secretary Joseph Romano, and Secretary James Barvick, the AHS chapter spent the year developing its peer tutoring program. Members worked together to promote the NHS in-school peer tutoring program and also saw significant growth and improvement in its community based program. While not volunteering as tutors, members spent time giving back to their community by coaching youth sports, cleaning Spy Pond, volunteering at local road races, working as teaching assistants, and participating in service projects across the United States and abroad.

Members of The National Honor Society are Rosella Aluia, Max Ball, James Barvick, Julia Blass, Eliza Brush, Dominique Carey, Ellen Cayer, Tim Chang, Marybeth Ciarlone, Jack Cohn, Aaron Colonnese, Shannon Coughlin, Alexander Crowley, Erin Crowley, Chase Currier, Gaurav Dangol, Meghan DeCoursey, Eryk Dobrushkin, Will Doyle, Gabriel Entov, Katarina Gentile, Benjamin Goebel, Maxfield Green, Audrey Griffith, Zachary Guion, Renee Hamblin, Sara Hamilton, Henry Hannon, Julia Harris, Chris Hart, Elyana Heigham, Shannon Hirsch, Emma Hodgdon, Allison Holt, Samantha Jarvis, Marley Jurgensmeyer, Christina Kennedy, Allison Kilbride, Ruby Kinnamon, Mitchell Kwok, Liam Lanigan, Jacques Libresco-Puckett, Jason Mejia, Jamila Mirzazade, Justin Mongold, Panagiotis Nikitas, Kelly Niland, Aidan O'Day, Diego Opperman, Anja Pajevic, Mila Phelps-Friedl, Ammarah Rehman, Francis Roche, Joseph Romano, Sophia Rosen, William Sanders, Saffron Schober, Kaavya Senthil, Rahul Sompuram, Emma Stewart, Catherine Tiffany, Dorothy Vieweg

METCO

The METCO Program (Metropolitan Council for Educational Opportunities) was founded in 1966, and is a voluntary integration program that provides a suburban public education for African-American, Hispanic and Asian students from Boston. The Arlington Public Schools have participated in the program since 1966. The program provides Arlington students and staff an opportunity to interact with many students of color and to benefit from a culturally diverse learning environment.

For what it's worth, it was worth all the while

CLUBS

BRIDGE BUILDERS

The AHS Bridge Builders include students from all grades and course levels. They welcome new transfer students, mentor exchange students, provide building tours, guide college representatives at the annual college fair and provide answers to school related questions. In return for providing service to others, Bridge Builders are able to earn community service hours, which can be applied toward the graduation requirement.

MATH TEAM

We do math. And food. Mostly food.
Just a relaxed once a week meeting with little commitment where we hang out and do math of all kinds.
Math team is for people who like math, not necessarily who are good at math, so come by!

SCIENCE OLYMPIAD

Science Olympiad is a national non-profit organization dedicated to improving the quality of K-12 science education, increasing male, female and minority interest in science, creating a technologically-literate workforce and providing recognition for outstanding achievement by both students and teachers. These goals are achieved by participating in Science Olympiad tournaments and non-competitive events, incorporating Science Olympiad into classroom curriculum and attending teacher training institutes.

YOUNG DEMOCRATS

The Young Democrats work to spread Democratic ideals through discussion, and education. We contribute to campaign efforts, conduct school-wide projects, discuss current issues, and attend Democratic events.

SKI AND SNOWBOARD CLUB

This club provides the students with an opportunity to go skiing or snowboarding at Wachusett Mountain on Tuesday during January and February with transportation.

LITERARY MAGAZINE

We are a student published and created Literary Magazine. We collect student artwork, prose, and poetry and compile it all into a magazine published once a year.

DO SOMETHING CLUB

The Do Something Club gets involved in fundraisers, campaigns and volunteering to help people in Arlington, Massachusetts, and the world! We are involved all kinds of causes, from poverty to homelessness to disease to the environment.

GAY STRAIGHT ALLIANCE

We're the GSA and our club's aim is to educate people about the LGBTQ spectrum, and discuss issues in the LGBTQ community. All in a judgment free environment.

YOUNG FEMINIST ALLIANCE

The mission of the Young Feminists' Alliance is to educate ourselves and the greater Arlington community about gender equality through empowerment and activism.

BEST BUDDIES

Students will make one-on-one friendships with a student in the school who has intellectual or developmental disabilities. This promotes social inclusion and provides every student with what we believe to be a necessity; friendship. This club will change your life.

MODEL CONGRESS

Model congress is a club that emulates congress culminating in a simulation event of congress held at University of Pennsylvania in Philadelphia, Pennsylvania. The group meets twice a week right after school for about an hour on Tuesdays and Thursdays. Involvement in this club includes debates during the meetings, writing of bills and participation in the model congress event at UPenn.

ROBOTICS CLUB

We are a group of students that enjoys building, programming, and designing robots. We compete in the First Tech Competition in which we design, build, and program robots to compete against other teams around the U.S. and the world.

JOURNALISM CLUB

Journalism Club offers students the opportunity to find and write about stories happening in our community.

INTERACT CLUB

Interact Club is a service organization that connects students to volunteer opportunities in the Arlington community. In the past we have worked with the Arlington Rotary Club, the Salvation Army, and the Arlington Food. Pantry.

ANIME CLUB

In Anime Club, we watch episodes of new season anime and older classic anime (2 episodes each week). Snacks are occasionally provided, and on the week of your birthday, you can choose the episodes we watch.

INDIAN CULTURE CLUB

This is a club to celebrate and enjoy Indian culture, including food, music, movies, dancing, and games.

TEENAGE REPUBLICANS

We are a group of conservative minded students at Arlington High looking to support our troops, veterans, and community.

MODEL UN

Model United Nations (also Model UN or MUN) is a conference similar to the United Nations in which students participate as delegates to various UN Committees. Participants research and formulate political positions based on the actual policies of the countries they represent.

SPANISH CLUB

The Spanish Club brings together students who are interested in learning more about the Spanish culture. We do a range of activities from exploring new foods to celebrating Spanish holidays. All students are welcome.

LATIN CLUB

Latin Club's purpose is to encourage an interest in and an appreciation of the language, literature and culture of ancient Rome (and Greece) and to impart an understanding of the debt of our own culture to that of Classical antiquity.

FRENCH CLUB

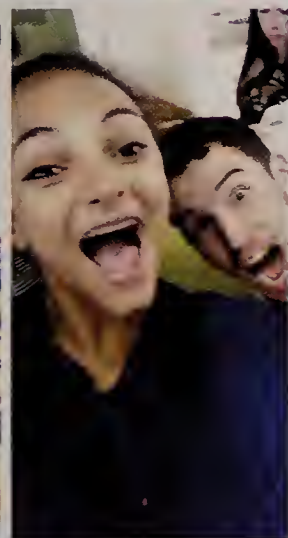

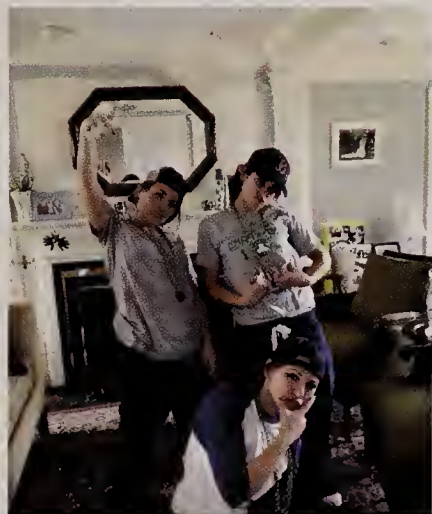

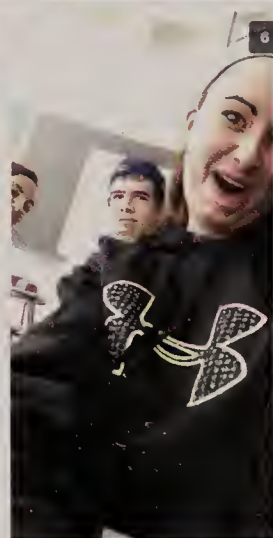

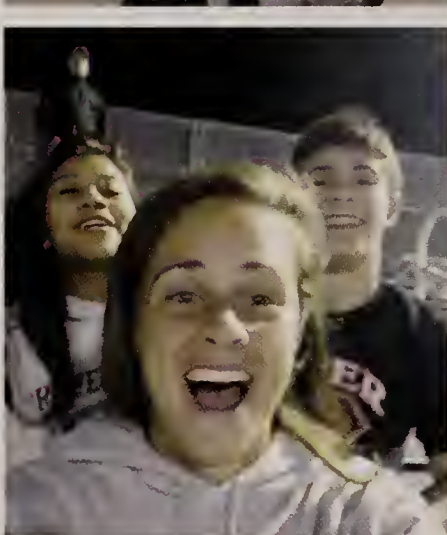

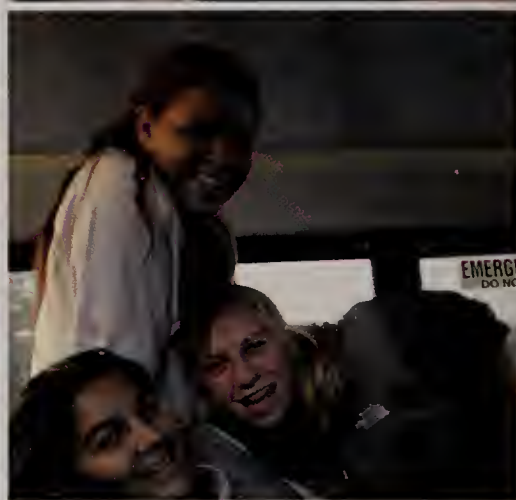

Arlington High School's French Club's mission is to promote enthusiasm among students for the French language and culture and to provide students with a friendly but serious way to approach a new culture. Because of the club's interest in cultural diversity, involvement in the French Club encourages exploration of French cuisine, art and music. It is not necessary for you to speak French, just to have a desire to learn!
